

§ 843.103

5 CFR Ch. I (1–1–12 Edition)

Retiree means a former employee or Member who is receiving recurring payments under FERS based on service by the employee or Member. *Retiree*, as used in this subpart, does not include a current spouse, former spouse, child, or person with an insurable interest receiving a survivor annuity. *Retiree* for purposes of determining a person's status at the time of death means that the person had been separated from the service and had met all the requirements to receive an annuity including having filed an application for the annuity prior to his or her death.

Step-child means a child who is the issue of a current or former spouse of the employee or retiree but is not the issue of the employee or retiree. A child is not a step-child unless the relationship between the employee or retiree and the child's parent is a marriage.

Supplementary annuity means the recurring payment under section 8442(f) of title 5, United States Code.

Unexpended balance means the unrefunded amount consisting of—

(a) Retirement deductions made from the basic pay of an employee under subpart E of part 841 of this chapter;

(b) Amount deposited by an employee for periods of service (including military service) for which—

(1) No retirement deductions were made; or

(2) Deductions were refunded to the employee; and

(c) Interest compounded annually on the deductions and deposits at a rate which, for any calendar year, will be equal to the overall average yield to the Civil Service Retirement Fund during the preceding fiscal year from all obligations purchased by the Secretary of the Treasury during that fiscal year under section 8348 (c), (d), and (e) of

title 5, United States Code, as determined by the Secretary of the Treasury. Interest on deductions and deposits does not include interest—

(1) If the service covered by the contributions totals 1 year or less; or

(2) For a fractional part of a month in the total service.
